P.I. 09225290965 (registered trademark), main activity: trade wholesale, also for third parties of machine tools, equipments, machines for industry, construction and agriculture and the respective accessories and / or spare parts.

The photographs of the products on our site represent related machinery and equipment mainly to the industrial processing sector, all the photos were taken by konzu technicians s.r.l.s., the truthfulness of the real existence of the machines represented was accurate by the technicians of konzu s.r.l.s. whether the aforementioned machines belong to konzu s.r.l.s. or its qualified suppliers. The machinery e the equipment is all located in Italy except for models of foreign construction imported from ours providers. The descriptions shown have been checked to exclude any description or status errors actual goods for sale, customers will still have the opportunity to view the goods in person first of the purchase, in order to have every possible clarification.

Distinction between new and used machinery and equipment With “new machines” we mean machinery and newly manufactured equipment, both Italian and imported, generally equipped with warranty provided by the manufacturer. By “used machinery” we mean second-hand machinery and equipment hand already used by third parties, in general, except for specific agreements, such machinery is without guarantee, where the aforementioned machines did not have all the safety parameters determined by the current CE regulations on the subject, they will have to be brought up to standard in order to be considered suitable for sale, if any cost of securing must be considered separately and assessed separately. Other services described on the site Other services from the sale of machinery and equipment, such as logistics and transport, consultancy etc. are carried out from official partners of konzu s.r.l.s.

All the prices indicated are considered VAT excluded (subject to a 22% rate) exempt only machines sold in states other than Italy.

The payment methods accepted will always be indicated in the offers to customers.

Konzu srls reserves the right to modify the prices, descriptions and photographs of its products at its own discretion.

All machines are always considered to be viewable by customers before purchase.

Konzu s.r.l.s. is in no case responsible for malfunctions and defects in general of machinery and equipment sold by third parties on their own web channels.

Processing of personal data konzu s.r.l.s. undertakes never to disclose the personal data of its customers and suppliers, according to the directives of the privacy legislation on our site
