-Specialists in advising on the purchase of industrial machinery-

Are you a metalworking entrepreneur, craftsman or machine tool dealer? Don't miss the opportunity to take your business to the next level with Konzu's machine tools. Visit our website and find out how our advice can help you develop your business, improve your production or sell your used machines.

Improve your production or sell your used machines.

Konzu puts its extensive industry experience at your disposal to solve problems and improve your results in terms of production, rationalisation of production processes and technological upgrading. We seek to optimise the use of your financial resources and achieve a faster and more targeted return on investment. This is what we offer you:

A selection of over 500 machines and equipment, new and used, from the best international brands.

Advice from various experts in all areas of the industry, buying and selling equipment, technicians, toolmakers, transport and logistics in Italy and abroad.

Advertising space to sell your used machinery on all major industry websites, social networks and on our web channels

Consult our website, our social pages, or contact us for a personalised consultation.

Second-hand sales

Technical consultancy

Logistics and transport

Why is Konzu the right choice for you?

Here are three reasons why you should consider us your ideal partner:

1. **Free Service:** Our counselling service is completely free of charge. Yes, you read good: there are no costs for you. Our income comes from the contracts with our suppliers, who remunerate us for the quality and efficiency we guarantee. With over 30 partners selected for the excellence of their products, professionalism and competitive of prices, our aim is to guide you towards the solution best suited to your needs, without any interest in selling a specific product.
2. **Real Experience:** Unlike many traders, we at Konzu have a deep practical experience. With over 25 years in the industry as entrepreneurs, we fully understand the problems of production and the importance of a conscious investment. We do not just recite technical data; our aim is to be your reliable point of reference, whether you want to buy or sell machine tools.
3. **After-Sales Service:** Our commitment to you does not end with the sale. We will be at your side to solve any problems, thanks to the support of our technicians specialised technicians. We are not after your money, but your trust. Our customers are demanding and informed entrepreneurs, and we are here to provide tools that solve problems and improve your production processes.

At Konzu, we believe that every company deserves the best to thrive in a competitive market. We are ready to be your trusted partner towards manufacturing excellence.
